

December 30, 2009

Dear GSA/Agent,

Re: IATA Resolution 600b

As per December 31, 2009, the new Conditions of contract as set in IATA Resolution 600b, will be effective.

Therefore, it is mandatory to use the new IATA air waybill Conditions of Contract, as set out in Resolution 600b, on the reverse of all airline and neutral air waybills effective December 31, 2009.

Therefore, AWB issued by any of you and/or in your behalf, on December 31 and onwards, must be in accordance with the terms of resolution 600b as those will be printed on the reverse side of Airline and Neutral air waybills.

As of December 31, 2009, CAL may reject any AWB which will not be in accordance with resolution 600b, and if CAL will elect to accept such AWB than the terms as set out in the updated Resolution 600b shall govern and supersede any other term of such AWB.

Sincerely yours,

C.A.L. Cargo Air Lines.
